Pray

I thank God...

- that His Word is so frank, showing me what God's people are really like.
- that His Plan is to bless all peoples, even those, like Nineveh, who despise Him and His people.
- that He uses His people to fulfill His purposes.

I ask God...

- to help me repent over the areas of my life in which I am currently resisting Him.
- for a heart like His that yearns for all peoples to know life with Him.
- to give me confidence that there is no one I know that His grace can't reach and change.
