Timothy's Resume

Pastor at the church in Ephesus  
Worked with Paul on his second missionary journey  
Went to visit, check on several of the  
churches that Paul had started.

Paul went first to Derbe and then to Lystra, where there was a young disciple named Timothy. His mother was a Jewish believer, but his father was a Greek. Timothy was well thought of by the believers in Lystra and Iconium, so Paul wanted him to join them on their journey. -Acts 16:1-3

Timothy's Spiritual Foundation:

I remember your genuine faith, for you share the faith that first filled your grandmother Lois and your mother, Eunice. And I know that same faith continues strong in you. -2 Timothy 1:5

A faith heritage has to be modeled and taught in order for it to be caught.

- Be the same in the world as you are in the church
- Make Jesus your priority
- Snatch up the teaching moments
- Pour the love of Jesus into the kids that are around you
